LEGAL REQUIREMENTS FOR CANDIDATE CAMPAIGN ADVERTISEMENTS, LITERATURE AND SIGNS

A.R.S. §§16-901

WHEN DISCLOSURE IS REQUIRED:

Campaign literature or advertisements paid for by any political committee, as defined in A.R.S. §16-901, must disclose in the literature or advertisement, the words "paid for by" followed by the name on either the committee's Statement of Organization or the \$1100 Threshold Exemption Statement.

WHEN DISCLOSURE IS NOT REQUIRED:

- Bumper stickers, pins, buttons, pens and similar small items too small to contain a disclosure of who paid for them.
- Signs paid for by a *candidate's own campaign committee* are not required to include disclosure of who paid for them.

POLITICAL CAMPAIGN SIGNS & SIGN PLACEMENT

Please verify campaign sign requirements with your jurisdiction. It is the responsibility of the candidate or political committee to ensure that all signs are complying.

CAMPAIGNING AND SCHOOL DISTRICTS

It is imperative that campaigning stay within the bounds of the law. Arizona Revised Statutes §15-511 prohibiting, "A person acting on behalf of a school district or a person who aids another acting on behalf of a school district to spend or use school district or charter school resources" to influence the outcome of an election. The Attorney General's Office has published guidelines giving practical advice on adhering to the law's requirements. A copy of the Attorney General's requirements can be downloaded on the School Elections page at:

www.gilacountyaz.gov/government/school_superintendent

CAMPAIGN FINANCE LAWS

Titles 16, Arizona Revised Statutes

A candidate seeking election to state, county, or city/town public office, including a judge seeking to be retained in office, is required to form a candidate committee upon reaching a certain level of financial activity. Specifically, a prospective candidate who has received contributions or made expenditures (in any combination) of at least \$1,100 in connection with his or her candidacy is required to form a committee within 10 days of reaching that threshold. For example, receiving a \$600 check from a family friend while spending \$500 on campaign supplies will trigger the registration requirement. Use of a candidate's own personal monies for electoral purposes counts towards the \$1,100 threshold as well. If a candidate never reaches the \$1,100 threshold, however, registration and reporting are not required.

Spending "in connection with" one's candidacy includes more than just the obvious indicators that someone is running for office, such as receiving contributions or purchasing campaign signs. It also includes (but is not necessarily limited to) activities such as conducting polling, purchasing email lists, hiring attorneys or consultants, taking out a loan, incurring travel expenses, leasing facilities, purchasing supplies or equipment, or any other expense incurred for campaign purposes. Keep in mind, any contributions received, or expenditures incurred before registration are eventually reportable, so a candidate must keep track of all financial activity from dollar one.

Candidate registration is triggered if a candidate raises or spends at least \$1,100 in connection with his or her candidacy. A.R.S. 16-905

POLITICAL COMMITTEE STATEMENT OF ORGANIZATION

A.R.S. § 16-905 (A)

A candidate who intends to receive contributions or make expenditures of ***more than \$1,100*** in connection with a campaign for office must complete a Political Committee Statement of Organization. This form is to be filed BEFORE accepting any contributions, making expenditures, distributing any campaign literature or circulating petitions. *Committees that file this form must file required periodic campaign finance reports.*

DEFINITION OF A CONTRIBUTION

A.R.S. § 16-901(11)

Any gift, subscription, loan, advance or deposit of money or anything of value made for the purpose of influencing an election. The entirety of this definition can be found in Title 16 of Arizona Revised Statutes.

ORGANIZATION OF CANDIDATE/POLITICAL COMMITTEES

A.R.S. § 16-905 (D)

Each political committee must have a chairperson and a treasurer. The position of chairperson and treasurer of a single political committee may not be held by the same individual, except that a candidate may be chairperson AND treasurer of the candidate's own campaign committee. All withdrawals and disbursements from campaign accounts require the signature of the treasurer or the designated agent of the political committee.

CIRCULATING NONPARTISAN NOMINATION PETITIONS

A.R.S. § 16-321

Nonpartisan Nomination Petition sheets are available from the Gila County School Superintendent's office or website at www.gilacountyaz.gov/government/school_superintendent_ and clicking on the "2020 Governing Board Elections" tab. **Be sure that the Statement of interest has been filed at the Gila County Superintendent's office before proceeding to circulate petitions.**

PETITION CIRCULATORS REQUIREMENTS

A.R.S. §16-315

Non-Arizona residents may circulate petitions but must be registered as a circulator with the Secretary of State. Information on registering as an out of state circulator can be found at: <http://azsos.gov>. Each circulator must complete and sign the back of EACH Nonpartisan Nomination Petition.

PETITION SIGNERS REQUIREMENTS

Qualified electors entitled to sign nomination petitions are those who are qualified to vote for the candidate whose nomination petition they are signing. Voters registered using the Federal Voter Registration Form are ineligible to sign school board nominating petitions. Qualified electors must also meet the voter requirements under Arizona Attorney General Opinion I13-011. An individual may sign only one petition for the same office unless more than one candidate is to be elected to such office, and in that case, not more than the number of nominations petitions equal to the number of candidates to be elected to the office.

SIGNATURE WITHDRAWAL

A.R.S. § 19-113

A signature may be withdrawn by the person who signed a Nonpartisan Nomination Petition not later than 5:00 p.m. on the date the candidate's petition is filed with the Gila County School Superintendent.

ADDITIONAL INFORMATION FOR CANDIDATES & CIRCULATORS

- Complete the heading of each Nonpartisan Nomination Petition ***PRIOR*** to collecting signatures.
- A picture of the candidate may be included on the Nonpartisan Nomination Petition.
- Pay attention to the date column on the Nonpartisan Nomination Petition. Be sure it includes the month, day and year. Incomplete or incorrect dates *may* result in the disqualification of the signature.

- Ditto marks and other repeating marks in the address and date columns are acceptable, just be sure that the line being repeated is correct.
- Make sure the **addresses are complete**. Effective July 2012, the elector may use a residential address, a description of place of residence, OR an Arizona post office box.
- **Effective July 2012, only 10 signatures will be counted on each Nonpartisan Nomination Petition. Any signature found in the margins of the Nonpartisan Nomination Petition will not be counted. Check the back of EACH Nonpartisan Nomination Petition to ensure that the circulator information is completed correctly**

prior to filing the nomination papers.

- Partial filings of nomination petitions and nomination papers will not be accepted after the filing deadline expires.

NAME ROTATION ON THE BALLOT

A.R.S. § 15-424(F) & §16-464

Position of the names of candidates for each office shall be rotated so that each candidate occupies each position on the ballot an equal number of times, in so far as is possible, for each ballot style.

SINGLE CANDIDATE FILING OR NO CANDIDATE FILING

A.R.S. §15-424(D)

In the event that only one-person files a nominating petition for an election, the Gila County Board of Supervisors, no earlier than 75 days before the election, may cancel the election for the position upon a request from the Gila County School Superintendent. Under these circumstances, the single candidate who has filed in a timely and appropriate manner will be appointed to fill the office upon the expiration of the current term. A person who is appointed pursuant to this section is fully vested with the powers and duties of the office as if elected to that office. The person appointed serves for two (2) year if completing a vacated position, or a full four (4) year term for School Board, a full (6) year term for College Board.

If no person files a nominating petition for an election, the Board of Supervisors, no earlier than 75 days before the election, may cancel the election for that office and that office is deemed vacant and shall be filled as provided in A.R.S. § 16-302.

PETITION CHALLENGES

A.R.S. § 16-351

Signatures on petitions are not verified by the Gila County School Superintendent. This is solely a filing office. However, petition signatures are subject to challenge by *any elector*. Nomination papers, affidavit of qualification, petitions and financial disclosure statements become public record once they are filed and are subject to inspection by the general public. It is the duty of the courts, not the Office of the Gila County School Superintendent, to determine the legal sufficiency of the nonpartisan nomination petitions or the candidate's qualifications for office.

A.R.S. § 16-351 states that any elector filing any court action challenging the nomination of a candidate as provided for in this chapter shall do so no later than 5:00 p.m. of the tenth day, excluding Saturday, Sunday and other legal holidays, after the last day for filing nomination papers and petitions. The deadline for challenging nominations is **August 22, 2020**.
